## Mark J. Harris, Snyder County Member Republican State Committee

I would like to thank the Republican voters of Snyder for the honor of representing you as the Snyder County Member of Republican State Committee. I ask for your continued support as I seek re-election.

During my current term, I have represented the people of Snyder County and their values.

- The culture of life
- The sanctity of marriage
- The right to keep and bear arms
- A smaller less intrusive government
- Moral and ethical leadership
- Fiscally responsible government

On a state level I have stood up for transparency and open records. At the Winter 2009 meeting I asked for open records when endorsing candidates [www.youtube.com/watch?v=fYcvSzXKNG4](http://www.youtube.com/watch?v=fYcvSzXKNG4). During the Winter 2010 I submitted a resolution for open records. The legislators were put into office by the people and for the people and are there to represent the people. “We the people” need to hold them accountable for their spending and voting.

I look forward to working with you and those candidates seeking office that best represent our values. If you have any questions or concerns, please feel free to contact me. I’m always available for opinions and open debate.
