Technology!

To educate and inform voters, we have put together a blog page which we will post the grassroots newsletter and periodically post other items of interest. In addition we have listed information about the process, upcoming events, and websites of interest. You can enter your email address in the upper right hand corner, and as new stuff is posted, you will be alerted by an email. In addition, the blog page is linked to face book at Mark-Irene Harris. You can visit our blog page at www.rockstargop.wordpress.com

You can also find out more information about Mark J. Harris, who is seeking the Snyder County Republican State Committee Member seat at www.markjharris.wordpress.com

Don't forget to remind any college students, truck drivers, or those who may be away from home on Election Day to fill out an absentee ballot. Also if you know of any doctors, nurses, or those on call who by chance may not make it to the polls between 7:00 am—8:00 pm on May 18, 2010 should also fill out an absentee. It is better to be safe than sorry.
