Dear

This year's gubernatorial election in Pennsylvania couldn't be more important. The excessive tax and spend policies of our current governor have left our state on the wrong track. Unemployment has skyrocketed to the highest level in 25 years while state spending continues to rise.

I have decided to support Tom Corbett for governor because he has pledged not to raise taxes, will reduce spending in Harrisburg and will help bring good family sustaining jobs back to Pennsylvania. With your support, we will put Pennsylvania back on the right track!
