### Notice—Meeting date change

The SUN Area Council of Republican Women usually meet the first Thursday of the month. However, the January 2011 meeting has been changed to **THURSDAY, JANUARY 13, 2011 AT 6:30 PM IN UNION COUNTY.** At this meeting we will be voting on amending our by-laws. If you are a voting member and have not received the changes, please notify Irene Harris. We will also be electing officers for 2011—2013; this election was tabled at the December meeting until the January meeting.

The SUN Area Council of Republican Women met in November and discussed the past election and where our mission lies in the future. We have planned the first quarter of 2011 to focus on advocacy and educating others on advocacy. We were pleased with the 2010 General Election results; but if we do not remain active in issues coming up and how those elected are voting we have not won a victory. Those representing our districts are important, but we need to hold all those elected accountable as our district representatives cannot make a change by one vote.

PFRW/NFRW programs are important and we plan to continue such as Caring for America, Support Our Troops, etc, but our main focus will be advocacy and accountability. Business meetings will be kept at a minimum.

**January 13, 2011 Meeting—  
Union County (Carol  
Newton's home). This**  
meeting will focus on what is advocacy and how to be an advocate.

We will also be hosting a booth at the Evangelical Community Health Fair on **Saturday, January 29, 2011** at the Susquehanna Valley Mall. Children will be making Valentine's for Vets.

**February 3, 2011 Meeting—  
Northumberland County  
(place TBA).** "How do we know when a vote is coming up? How do we know how those elected voted? We sometimes feel we could have done more to influence the vote if had not received the email before that day or the day after. We need good sources and how to know if it is a reliable source. Come to our meeting and find out how you can become informed and make a difference.

Also **February 5, 2011** we will be hosting a Ronald Reagan's 100<sup>th</sup> Birthday Party. Details to be announced.

HAPPY BIRTHDAY, MR. PRESIDENT!

## March 3, 2011 Meeting – Snyder County (place TBA).

The topic of our March meeting will be the Importance of Ballots. Pat Nace, Snyder County Board of Elections Director will speak on the ballot process and how it works. Do you know the difference between a regular ballot and what happens if you mark the wrong one, a provisional ballot, a civilian ballot, a military absentee ballot or an emergency absentee ballot? What are the rules for each?

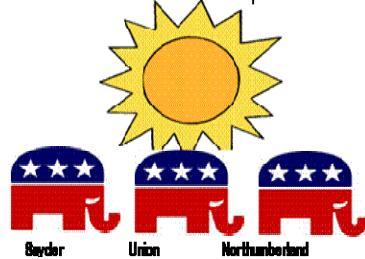

## April 7, 2011 Meeting – Union County (place TBA).

At our previous meetings we were educated on how to find out what is coming up for a vote. We had a vote we did not like. We know how to contact our legislatures. But . . . what do we say and how do we say it? If we write a letter, how should it be worded? What do we say when we call the office? Does anyone really listen to us? How effective is the process of making phone calls? Is an email better than a snail mail letter? Attend our April meeting and find out.
