IRENE HARRIS SEEKING PROTHONOTARY & CLERK OF COURTS

Friends to Elect Harris, Harold and Marian Decker, Chairs; have announced that Irene C. Harris has filed and will be seeking the position of Prothonotary and Clerk of Courts for Snyder County because she believes the voters of Snyder County deserve an option when going to the voting polls. The dictionary defines Election as the right, power, or privilege of making a choice. Irene believes the word career and politician should not be used in the same sentence. Our current Prothonotary has been in office for over 28 years and the citizens of Snyder County should have a choice on the ballot when casting their vote.

Irene graduated December 2010 from McCann School of Business and Technology, holding an Associate in Specialized Business Degree majoring in Paralegal. While pursuing her degree, Irene performed her externship in the Montour County Prothonotary and Clerk of Courts Office. She enjoyed assisting in the legal process and knows she can serve the people of Snyder County well.

Irene is a lifelong resident of Snyder County, the daughter of Leon and Connie Wagner. She is married to her husband Mark J. Harris for 20 years and they have two

sons Aaron and Jared. They live on a farm in Middlecreek Township. She has been an active member of the Republican Party promoting grassroots activism. Irene has been involved with the Council of Republican Women since 1986 and is currently serving as PFRW Director and SUN Area Council of Republican Women President. She has served as county chair on many campaigns; during 2010 she served as Snyder County Chair for Tom Corbett for Governor and Tom Marino for Congress campaigns, and Co-Chaired Toomey for Senate campaign. Irene is a lifetime member of the Snyder County Historical Society, Snyder County and PA Farm Bureau, member of the Selinsgrove Church of the Nazarene and has been active in several other organizations and programs.

If elected, Irene will be a voice to all Snyder County residents, regardless of party and will be committed to serving the people of the County. For more information, visit her website at www.FriendsToElectHarris.com
