December 23, 2011

Dear PA Ag Republican Member:

I would like to invite you to the Pennsylvania Ag Republican Annual meeting. The meeting will be held in conjunction with the 96th Annual Pennsylvania Farm Show on Monday, January 9th at 3 p.m. The meeting will be held in the Susquehanna Room (old room B) at the Pennsylvania Farm Show Complex. Lieutenant Governor Cawley will be our speaker. There will be reports from other legislators as well. Please try to attend this event.

If you have not paid your membership dues for 2012, you will have the opportunity to do so at the annual meeting. We need you to become a member, there are important elections in 2012 and we will need your help. Do you want another four years of Obama? Do you like the direction the United States economy has taken? Do you think Obama has any clue on how to correct the economy? We need a President that understands agriculture is not the culprit that is responsible for air and water pollution. This is why the United States needs new leadership. We need a leader that is knowledgeable, conservative, and understands the importance of agriculture.

The Pennsylvania Ag Republicans have been instrumental in helping the right candidates get elected. The rural population has a strong voice and their vote is important. This organization represents you! The Pennsylvania Ag Republicans makes every effort to advise our legislators and candidates on the importance of agriculture. We need you on our team. Please become a member today! If you are a member, do not forget to pay your dues.

I look forward to seeing you at the annual meeting on January 9th, 2012.

Sincerely,

Michael H. Firestine, Chairman
