

**Are you motivated to do something about the liberal agenda against Life, Traditional Marriage and Religious Freedom?**

**Are you willing to do what you can to encourage people of faith to vote?**

**Will you donate some time (a little or a lot) over the next 13 weeks to highlight the differences of the candidates for President and U.S. Senate?**

Join our Values Voters GOTV effort to reach voters with the truth about issues of importance to society and the family. Help voters understand their vote is valuable and has consequences.

We need volunteers to

- staff phone banks
- do community canvassing
- be liaisons to their churches and community groups
- register values voters

Individuals and groups are encouraged to volunteer. This is a positive activity for youth groups, Students for Life chapters, homeschoolers, MOPS groups, proliferators, freedom lovers, etc. No experience is necessary. Complete training will be provided.
