

# ATTENTION Pennsylvania Hunters

There is an unprecedented, full-scale assault on your right to keep and bear arms, as evidenced below:

*"We shouldn't have assault rifles. That's not what the Second Amendment was meant to do."* – Kathleen Kane, Pennsylvania Attorney General

*"There are executive orders, executive action that can be taken. We haven't decided what that is yet."* Vice President Joe Biden, referring to increased gun control measures.

A new law in New York state requires a background check for purchasing ammunition and also limits magazine rounds to seven bullets.
