What is a mystery dinner? A mystery dinner is a mystery as to what you are ordering. Each participant will be given a menu with 16 items and will choose four items per course (four course dinner). The items in the menu are in disguise. Loretta Sprenkle was known for putting together mystery dinners. What better way to remember Loretta than to attend a mystery dinner to benefit an essay contest and scholarship fund in her honor? For more info: <http://sunacrw.com/>
